## **M502 GREASE**

M502 Grease is a special moly, heavy duty, extreme pressure, multi-purpose grease proven to be outstanding for chassis and bearing lubrication in trucks, tractors, automobiles, and industrial and construction equipment. It is designed to give superior lubrication over a very wide range of conditions. The combines effects of moly and other extreme pressure agents give reduced wear and increased load carrying capabilities. M502 Grease holds up where conventional multipurpose greases fail.

- \* CONTAINS MOLYBDENUM DISULFIDE
- \* SUPERIOR EXTREME PRESSURE PERFORMANCE
- \* REDUCES WEAR
- \* HIGHLY WATER RESISTANT
- \* WIDE OPERATING TEMPERATURE RANGE (-30°F. TO 300°F.)
- \* OUTSTANDING RUST AND OXIDATION RESISTANCE

M502 Grease gives you one grease for most applications, so it helps you reduce grease inventories while improving overall lubrication. Provides superior performance in a wide range of applications including:

- |                          |                   |
|--------------------------|-------------------|
| * Ball & Roller Bearings | * Wheel Bearings  |
| * Sliding Surfaces       | * Busses          |
| * Construction Equipment | * Automobiles     |
| * Farm Equipment         | * Chassis         |
| * Off Road Equipment     | * Sleeve Bearings |
| * Industrial Equipment   |                   |

PACKAGING:

400 Lb. Drums

120 Lb. Kegs

45 Lb. Pails

Cartridges
